SUMMARY

Third-year undergraduate student pursuing Computer Science and Engineering at MVJ College of Engineering.

Possess working knowledge in UI/UX design using Figma and foundational skills in web development. Looking to leverage my academic learning and creative mindset in an internship opportunity that fosters growth and practical exposure.

SKILLS

UI/UX Design(figma)

Web Development(HTML,CSS)

Canva and Visual Design

Communication

WORK EXPERIENCES

PROJECT EXPERIENCE

Attendance Management UI Interface  
| Figma | Mar-Apr 2024

- Designed core screens (login, dashboard, attendance, admin)
- Prioritized usability and clear interaction flows

Personal Portfolio Website | HTML &  
CSS | Feb 2024

- Built a responsive site with "About," "Projects," and "Contact" sections
- Showcased academic and design work; currently updating layout
